Supervision

A parent/guardian must remain on site and actively supervise their children during lessons.

Student Handover / Duty of Care

Upon arrival, a parent/guardian should take their child to their designated instructor and ensure the child's attendance is recorded 'in'. At the conclusion of the lesson, the instructor will mark the child as 'out' once released back to the care of the parent/guardian.

Watch Around Water

All YMCA managed facilities are accredited Watch Around Water facilities which means:

CHILDREN UNDER 5 – must be constantly supervised within the facility and have a parent/guardian/teacher in the water with them and within arm's reach at all times.

CHILDREN UNDER 10 – must be accompanied in the facility and actively supervised by a parent/guardian.

Class Times

Classes are scheduled based on pool availability. While every effort is made to accommodate requests for preferred class times, we do not guarantee that these times will be available. Please note, no refunds will be given for unsuitable class times.

Medical Cancellation

Cancellations due to medical reasons are entitled to a refund upon written request (preferably by email) and receipt of a valid medical certificate covering all relevant program/class days. Requests for a refund must be made within 14 days of the end of the program/class. Students who have participated in 2 or more days/classes are not entitled to a refund.

Other Cancellations

Non-medical cancellations which are provided in writing (preferably email) no less than 14 days prior to the start of the program/class are entitled to a refund minus a \$30 administration fee.

Hot Weather Cancellations

The YMCA takes every measure to ensure a safe and enjoyable experience for participants, however on catastrophic fire danger days or days forecast over 40 degrees' cancellation or postponement of the Program to a cooler part of the day maybe required. In the event of a cancellation not being able to be rescheduled a pro rata refund will apply. Please be sun smart whilst enjoying the VACSWIM program at our outdoor facilities this summer.

Medical Conditions / Additional Needs

If your child has a medical condition / additional needs / disability which may impact their participation in any activity, please provide details in the 'child details section' of the enrolment form. Children with a Disability

Children with a disability are encouraged to participate in the program. When enrolling, the Instructor in Charge should be informed of any additional needs your child requires to enable participation. Participation is conditional upon the location being able to provide the additional support services arranged through consultation between the Instructor in Charge and the parent or caregiver. This will ensure a responsible person is keeping the child under observation at all times. Please indicate in the child details section if your child is regarded as having a disability and complete the medical information on the back of the form. Parents and/or caregivers are encouraged to attach a note providing further explanation if required.
