Entered into booking system	Date:	Initial:
Booking reference:		

VACSWIM is a government-funded water safety initiative which allows children to develop the survival skills needed to be confident and competent in the water, in a fun and safe environment. Surf Life Saving SA runs the "Surf and Survive" program as part of VACSWIM, with 10 Stages of instruction. The skills listed are those that participants should be able to accomplish by the end of the program week. VACSWIM is offered to children aged 5 to 13 years (age at the time of program). Surf Life Saving SA runs a parallel non-government funded program for older children (14-15 years old), enabling them to complete Stages 9 and 10.

**PROGRAM COST**

5 to 13 years (government funded)	Stages 1-9	\$55.00
5 to 13 years (government funded)	Stage 10	\$75.00 (Stage 10- longer session times)
14 to 15 years (non government funded)	Stage 9	\$65.00
14 to 15 years (non government funded)	Stages 10	\$85.00

**PROGRAM DURATION**

<b>5 Day Program</b>	Stages 1-9	63 minute lessons	Stage 10	126 minute lessons
<b>7 Day Program</b>	Stages 1-9	45 minute lessons	Stage 10	90 minute lessons

**Large Family Discount:** Families enrolling 4 children or more may be entitled to a large family discount. A photocopy of your Medicare Card must be attached with the enrolment form. Please call the Vacswim Team on 08 8354 6996 to arrange discount.

**Other Fees:**

**On-site enrolments**

All on-site enrolments (i.e. enrolling at the location) will incur an additional \$10 fee per family.

**SURF & SURVIVE STAGES**

Edithburgh Tidal Pool			Victor Harbour	West Beach

**TERMS & CONDITIONS**

Parent/guardian role at the location: parents/guardians must remain at the location at all times during their child's participation in their designated class.

When arriving at the location, the parent/guardian should take their child to their designated instructor and ensure that their child is marked "IN" on the attendance sheet for that day. No child will be accepted more than 5 minutes before the start of their designated class. After class, the onus is on the parent/guardian to ensure that Instructors are aware their child has been collected.

Code of Behaviour: participants (in and out of the water) are expected to cooperate with the instruction and direction of staff. Instructors are responsible for the children directly involved in their class while the class is being conducted. Inappropriate or disruptive behaviour could result in exclusion from classes. Instructors are not responsible for the general supervision of others at the location; parents/guardians should ensure that appropriate supervision is provided at all other times.

Sun smart: Surf Life Saving SA does not provide sunscreen for participants, and encourages sun smart behaviour: wear a t-shirt and hat, and apply SPF 50+ sunscreen.

Class times: whilst every possible effort will be taken to comply with requests for preferred class times, we do not guarantee that these times will be available. Class times are subject to change at the last minute due to weather conditions or staffing requirements. Please read the Refund and Transfer Policy carefully.

Medical conditions: if your child has a medical condition (e.g. asthma, attention deficit disorder, diabetes, epilepsy and/or others), it must be written and detailed on the enrolment form. If necessary, please provide a detailed explanation of your child's medical condition. Please note that whilst Instructors and Volunteers will be aware of the student's medical conditions, it is the responsibility of the parent or guardian to carry and administer medicines to their own child as required throughout the program. Parents and guardians must be nearby their child's class for the duration of the session.

Children with a disability: children with a disability are encouraged to participate in the program. Participation is conditional upon our being able to provide any additional support services, as arranged through consultation between Surf Life Saving SA (during the program lead-up) or the Instructor in Charge (during the program week) and the parent/guardian. This will ensure a responsible person is keeping the child under observation at all times. Parents/guardians are encouraged to send an email/attach a note providing further explanation if required.

## Refund and Transfer Policy

Site cancellation: If a location's program is cancelled completely by Surf Life Saving SA for any reason you may request a full refund or transfer your children to an alternative location. If classes are cancelled due to extreme weather or for any other reason, they will be rescheduled where possible. If circumstances dictate that rescheduling is not possible, refunds for a pro-rata proportion of the program fees may be requested.

Medical: If a participant is no longer able to attend the program due to medical reasons, a refund of the program fees will only be issued if the participant attended 2 or fewer days of the program. Surf Life Saving SA will retain \$15.00 per participant as an administration fee. To claim a medical refund, parents must send a letter outlining the number of days attended together with a medical certificate and a copy of the booking receipt. Requests for medical refunds must be received by Surf Life Saving SA no later than COB Friday 22 January 2021.

Other: Cancellation of registration for reasons other than those listed above will only be accepted until COB Thursday 24 December 2021. Surf Life Saving SA will retain \$15.00 per participant as an administration fee. Please note that class times are subject to change once online enrolments close, due to staffing or other late changes. Every effort is made to place participants in their preferred times. Non-preferred class times may not constitute a full refund.

Location transfers before the program: Bookings made online at one location CANNOT be directly transferred by Surf Life Saving SA Vacswim staff into another location before the program week. The current online booking must be cancelled and a refund will be provided, less a \$15.00 per participant administration fee, before the participant can re-book into the desired location.

Location transfers during the program: Transfers between locations offering the Surf and Survive program are possible, but children will only be accommodated if a vacancy exists at the new location. Children transferring to another location will not be given additional instruction to the detriment of the existing participants. The transfer must be approved by the Surf Life Saving SA Vacswim staff as well as the Instructor in Charge.

Transfers between sites delivered by Surf Life Saving SA and sites not delivered by Surf Life Saving SA (and vice versa) may not be possible, as different organisations are responsible for delivering the program at these other sites. Such transfer requests will be assessed on a case by case basis; you may be required to pay the full fees at the new site.

## Privacy Policy

All information collected and stored on the participant database will only be used for the purpose, nature and duration of the program. There will not be any disclosure of any information collected or stored on the participant database to a third party for any reason other than: emergency situations, medical situations, future SA Water VACSWIM promotional material or other Surf Life Saving products or services. If you have a privacy concern or would like to verify information held about you, please contact the Community Programs Manager on 8354 6900.

## Release

As parent/guardian of the child listed on the enrolment form, I declare that the information I have provided is true and correct. I give my consent for him/her to participate in the Surf and Survive program and agree to delegate my authority to the supervising instructors for the duration of relevant classes. If my child requires medical treatment as a result of an emergency or accident, and contact with me is impracticable or impossible, I authorise Surf Life Saving SA staff to arrange whatever medical assistance is necessary. I will pay all medical and dental expenses incurred on behalf of my child. I have supplied medical information including details of any additional health support he/she requires to safely participate in the program.

I acknowledge that I have read and understood the Terms and Conditions for participating in the program and agree that my child will comply with the program rules, standards and requirements. I agree to abide by the Refund Policy as outlined. I acknowledge that my child participates at his/her own risk, and will not hold employees or volunteers of Surf Life Saving SA liable for any accident, injury, property, loss or cost occurring as a result of participating in the program, unless caused by negligence or a wrongful act or omission by employees or volunteers of Surf Life Saving SA .
